Mr. Herbert N. Haller, Deputy Clerk
U.S.District Court for the District
of Columbia
Washington, D.C. 20001

Dear Mr. Haller,

Enclosed are the completed papers you sent with your letter of June 28 in response to mine of June 18. I have added a fuller response to the question about my financial condition.

I have no regular income. I write books, and when they sell I get royalties. I have been my own publisher, and the income is included in our bank accounts. AS of today we are about $900 short of paying our bills for the coming month.

My wife has part-time work for the first quarter of the year only.

I hope this adequately answers all questions. If it does not, please let me know.

Thanks you very much.

Sincerely,

Harold Weisberg
